DECEMBER 2023

Winter

Alison Adams

Welcome to my Virtual Exhibition

'Winter'.

It's December 2023 and here in the UK we've just had the first snow after several days of heavy frosts. It's winter, and although it always goes on for longer than I would like, it has its own bleak beauty and is atmospheric. I hope I've captured what winter conjures up for me in the pictures I've assembled in this virtual exhibition.

Get cosy and indulge in the calorie-free delights offered.
